Our Attended Traditional Funeral Services

Traditional Attended Funeral

The most popular and respectful funeral choice by our clients, where you can gather with friends and family to celebrate and reflect on the life of a loved one. With the traditions and rites of a full attended funeral service, for a meaningful and personalised farewell - whether it be an informal or formal service, religious or non religious, for a burial or cremation.

Our professional funeral services cover all essential arrangements, including guidance with legal and administrative tasks, organising the ceremony and committal, and coordinating with venues, ministers/celebrants, flowers, order of service, online funeral notices and photo tributes.

We provide 24-hour support. We will collect and transport your loved one with dignity, and care for them in our professional facilities. We also offer embalming at an additional cost, which is a treatment we recommend if you would like to spend time saying goodbye in our private room/chapel of rest, before the funeral. This service can be added at an additional cost.

Our funeral team and Funeral Director are here to support you before, during and after the funeral.

On the day of the funeral, we provide our Funeral Director, up to four pallbearers and a ceremonial hearse, chauffeured limousines (seating up to 6) available as required.

The cortège and driving route can be defined, meeting at a home address and passing through important streets and places, creating a unique and personalised final journey. We offer a wide range of coffins and caskets, as well as additional services such as specialist hearses, flowers, keepsakes, and order-of-service booklets. We also manage necessary third-party payments, such as crematorium or minister fees. Throughout the process, our experienced team is here to listen, guide, and support you in making the right choices for your loved one. We offer the following attended funeral packages to choose from.

Payment of Funeral Account

We respectfully request that a deposit is paid to us prior to the funeral. You may, should you wish, choose to pay the full funeral account in advance. The deposit we require is 50% of the total Funeral Director's Charges plus 100% of the costs for Disbursements (third party fees) and 100% of Other Products & Services you have chosen (This payment is also required for those claiming assistance from Governmental schemes). Should you choose the Unattended Funeral Package, we require full payment of the entire funeral account in advance.

Please Note: Payment is due within 21 days of the date of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

Please be aware there is no need to wait for probate/confirmation. If sufficient funds are available, settlement can usually be made directly from the deceased person's bank account without having to wait for probate/confirmation to be completed. Please inform us if you intend to claim assistance for funeral expenses from Governmental schemes (e.g. DWP). These assistance payments are normally a contribution towards costs and may not cover the entire cost of the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger for advice and guidance. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility.

We accept payment by most major Debit or Credit Cards*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your funeral arranger for details.

*excluding American Express and Diners Club International.
