A completely independent Funeral Directors owned and run by Mr Alex Jones and family

WHY YOU SHOULD CHOOSE AN INDEPENDENT FUNERAL DIRECTORS

SINGLE MINDED DEVOTION. All our attention is concentrated on satisfying the needs of our friends and neighbours. We are flexible and responsive to your needs.

PERSONAL PRIDE. This is our business. Our neighbourhood is your neighbourhood. We take pride in our premises, vehicles, and above all our staff of whom we ask a lot because we know you expect a lot.

LONG-TERM COMMITMENT. More than meeting your present needs, we want to build a relationship of trust. Trust that means you will come back to us in the future, family to family, because just as you will still be here, so will we.

DEVOTED TO FAMILIES NOT JUST PROFITS. Large concerns answer to shareholders. We have no head office pressure to make more profit than is necessary to ensure our health, stability and long-term commitment. We answer to you and remain content that we will do our best by serving you well.

KNOWLEDGE OF LOCAL TRADITIONS. Funeral traditions vary, even around our small island. We know and appreciate local customs and expectations because we have served the local community for many years. Ignorance of such traditions can cause disappointment.

ALLIED TO HELP. We are proud to be members of the National Society of Allied and Independent Funeral Directors, the only professional organisation in the UK exclusively dedicated to serving the local independent family owned funeral director and their community. Rest assured that some 60% of funerals throughout the county are arranged by independents.
